

Dear Friends of St. Bernard Academy:

We truly appreciate your support of St. Bernard Academy by way of your past Annual Fund contributions. The success of this fund every year guarantees the continued excellence of many of our programs. While the tuition we charge is a great start, not all of the tuition dollars are used for program improvements. Each year, additional needs are identified. These needs will enable us to keep abreast of the best practices in education and provide the school with points for innovation.

I ask you for your continued support in order to maintain this fine tradition of excellence. Your contribution is very important to us. In the spirit of the founding Sisters, I ask that you consider increasing your gift to this year's Annual Fund Campaign. Your contribution will have a direct impact on our teaching through professional development training, provide for technology improvements, increase innovative programs and continue to enhance our facility. Our goal this year is set at \$75,000 and more importantly we are striving to increase the number of individual donors. I have enclosed an envelope for your convenience.

Please understand that all gifts of prayer, monetary gifts, and gifts of property or stocks are greatly appreciated. In many instances your donations may be tax deductible. Additionally, many companies offer matching gift programs that will increase your gift to the Academy. On behalf of the children, the faculty and the staff at St. Bernard Academy I thank you in advance for your continued support.

With kindest regards and appreciation,

A handwritten signature in black ink that reads 'Carl J. Sabo'.
