The Head of School...

Dear SBA Community,

The year reflected in this annual report calls to mind so many great things that this school community accomplished in order to come together. With the professional support of the Board of Trust, the faculty and staff and you, the parents, it was a very special year. First is the Annual Fund, directed by Sydney Hochstein and supported by nearly all of you. For the third year in a row, we met or exceeded our goal - gifts that went above and beyond with a parent participation level over 83%.

We kicked off our 'Space for Grace' capital campaign that you so munificently embraced and continue to support, raising over \$830,000 - another sign of your belief in the mission of St. Bernard Academy. Our mosaic project, sponsored by a generous gift of the Bumpus Family is well underway and many of you have

contributed your time to the project. Many of you also participated in the Home and School Auction - an event that speaks to what it means to be an SBA parent. I offer a great appreciation to all of the volunteers and donors who made that evening such an overwhelming success.

I send my deepest acknowledgement of your kindness to my wife, Fran and I in my final year of leadership. From Sabo Day to the birthday celebration and finally the retirement party, I could not have felt any more love from a community that supported me all along the way. What started out as a challenge 16 years ago with only 220 students and a light balance sheet turned into a very successful and special independent, Catholic school. This certainly reflects the mission and the commitment of so many parents like you along the way.

We all know the challenges that COVID brought, and the importance of allowing the community to connect in order to transition into new leadership. I ask that you continue to support the new Head of School, Leigh Toomey, with the same energy and love that I experienced. I also ask that you continue to support the teachers who had the greatest challenges during the last two years. They will continue to have the most direct impact on your children and their education. People truly make the difference at SBA and I thank you for the opportunity to serve this wonderful community.

Sincerely,

Chuck Sabo,
Head of School

...Transitions

Dear SBA Community,

I am grateful to Mr. Sabo, the Board of Trust, SBA's leadership team and our current families for welcoming me into this position as the new Head of School.

It has been a great privilege to uphold and carry on St. Bernard Academy's success from the past year. The year 2022 was indeed a year of "transitions" for our community. Mr. Sabo and team reached exciting fundraising goals, navigated an ever-changing climate around the pandemic, and filled our school admissions process with amazing new families. As milestones were celebrated, tenures came to a close and new eras began.

These transitions are opportunities for reflection and goal setting. As the 2022 calendar year draws to a close, we are actively building upon our community's many accomplishments. We continue to work each day to uphold academic excellence and a safe environment in which our students grow.

The Leadership team and I are excited to add our own building blocks to the foundation of SBA such as Social Emotional Learning programs and new, exciting professional development opportunities for our faculty. I continue to learn more about our SBA families, led by some of the most dedicated and energetic parents I have ever met in my time as an educator. And every day I learn from and am inspired by the St. Bernard students.

Thank you for entrusting me with this pivotal transition as a school community. I look forward to a steadfast tenure together.

Go Bears!

Sincerely,

A handwritten signature in cursive script that reads "Leigh Toomey".

Newly Elected

We danced our way to a record-breaking Catholic Schools Week fundraiser! We raised \$38,170 during this year's new Dance Marathon fundraiser to benefit pediatric rehabilitation efforts at Monroe Carell Jr. Children's Hospital at Vanderbilt!

March

APRIL 1

After being introduced just two years ago, Book Character Day was BACK! Students, faculty, and staff dressed up as their favorite book characters and we celebrated with a parade on the field.

April

2021-2022 Highlights

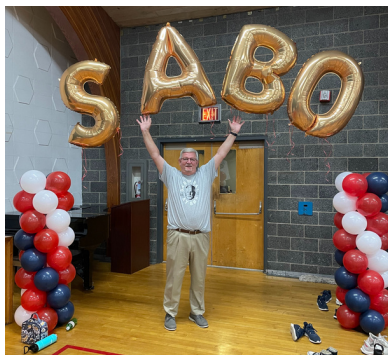

SBA celebrated the dedication of the Nalley Bell - a bell that was generously donated to SBA in 2018 by Tony and Sally Hoffman. Every Friday, a faculty member rings the bell to signal the end of the work week. Students wrote dedications to commemorate this sacred new tradition, signifying how special it is to the community.

Grandparents Day was a rockin' good time! The grade levels danced through the decades, including a heartfelt performance from the 8th Level boys singing "My Girl" to their grandmothers. It was truly a special event that welcomed grandparents back to SBA.

May

The best day of school ever! Each grade surprised Mr. Sabo with a song, presentation or gift, and our wonderful parents held a parade for him around the school. There were lots of laughs, tears, and love in honor of Mr. Sabo's final year at SBA.

Field day was a fight to the finish line! Students wore t-shirts with Mr. Sabo's picture on it to celebrate his last field day at SBA. They enjoyed games and lunch on the field, including the annual 8th Level versus faculty kickball game!

SPACE FOR Grace

The Space for Grace Campaign centers around the need for more space to fit SBA's growing community. Through this campaign, we will add over 2,200 square feet to our dining facility— nearly doubling its size and doubling our seating capacity.

We are proud to honor Mr. Sabo and all that he has done for the school by naming this proposed new gathering space in his name - a momentum that will cement his legacy at SBA. After all, this space is much more than just a dining hall. It's a place where students of all ages gather together for a meal, where parent groups meet and mingle, where students learn and play outside of the classroom, and where we hold our most special events. It's the very center of our SBA community, much like Mr. Sabo himself.

— ” —

The Space for Grace Campaign is an opportunity to come together and make a lasting impact on the campus and every student who graces its classrooms.

By making a gift, you will impact the health of our students and our entire community

From the Board of Trust President

Dear SBA Community,

Change is hard. Those three words have never been truer than during the last several years as the SBA community, and the world, faced the challenges of an unexpected foe in the form of a pandemic. Consistent with the history of St. Bernard Academy, however, all constituents – the Board of Trust, Head of School, faculty, staff, and SBA families – pulled together not only to survive the last few years, but also to thrive as a loving and positive school community.

The 2021-2022 academic year provided much change, as we said goodbye to our long-time dedicated leader Chuck Sabo and searched for a new Head of School to guide SBA into the next era. The Board of Trust, and particularly the Head of School Search Committee, worked tirelessly to interview candidates and ultimately make a choice that the Board believes is the best opportunity for the continued growth of the SBA community academically, spiritually, and financially. We sent Mr. Sabo out in high style with great wishes that he and Fran enjoy their well-deserved retirement years, and we welcomed Leigh Toomey as the new Head of School with optimism that she will lead the SBA community to even greater heights going forward.

My SBA Board service has now concluded, but I feel more strongly than ever that SBA is the best school community in the Nashville area. The school is financially sound, its faculty and staff are dedicated and driven, and SBA families are selfless in their dedication to and sacrifices for the school. Yes, change is hard, but I know that SBA will continue to adapt and move forward in the Sisters of Mercy tradition. Thank you all for making SBA the wonderful place that it is.

Warmest regards,

Brigid Carpenter

From the Home and School Association Presidents

Dear Parents,

The 2021-2022 school year was an exciting, community-driven year that gave us the opportunity to host several events to celebrate SBA. Last year, SBA faced challenges as the COVID-19 pandemic continued; however, we did begin to see a shift in allowing more events to take place that brought everybody together. The faculty, staff and parent volunteers of the Home and School Association worked together to foster that sense of community that we all missed so much! Many thanks to our dedicated HSA team who led several of these happenings including the Fall Fair, a parent - student luau and game night, Grandparent's Day, Kindergarten and 8th Level Graduation, and the long awaited return of The Roaring Twenties spring auction that raised over \$115,000. These funds will allow the HSA to continue hosting events for the school-wide community and provide a monetary gift to the school.

We are grateful to all our parent volunteers who served as room parents, treated the faculty and staff, organized the Swap and Shop, collected Christmas gifts for the underprivileged, and so much more! The spirit of St. Bernard Academy is alive and well, and seen in the actions of those who serve and create a sense of family in our school community. It was a wonderful year of growth for SBA that we were so thankful to experience with you.

The **St. Bernard Academy Annual Fund** is the most important source of unrestricted funds available to SBA. It is critical to our fiscal health as Annual Fund gifts flow directly into the operating budget. Annual Fund monies broadly support academic programs, faculty development, and campus and environmental stewardship, while allowing us to keep tuition affordable for a diverse group of families.
